Oncofertility Consortium Vision 2030
Scientific Committees
“Exploring and expanding options for the reproductive future of cancer survivors.”
Vision 2030

OC Vision 2030 Strategic Goals:
(1) Improve Access
(2) Advance Research
(3) Educate
(4) Collaborate

A View from the past into our collective future: the oncofertility consortium vision statement

**Vision Statement:** The vision of the Oncofertility Consortium is for all patients facing loss of fertility due to medical conditions and/or gonadotoxic therapies to have access to oncofertility options and services.

**Mission Statement:** The mission of the Oncofertility Consortium is to convene the field to enable the essential conversations necessary to drive oncofertility research, clinical practice, and patient options forward.

**Value Statement:** The Oncofertility Consortium values collegiality, multi-disciplinary collaboration, inclusiveness, innovation, and altruism. All of its values are ultimately driven by patient-centeredness.

12 Scientific Committees
100+ Oncofertility Experts from USA & Abroad
Each Scientific Committee should:
- Aim to achieve OC Vision 2030
- Act as a round table discussion
- Meet online every 3 month (Mar, Jun, Sep, Dec 2021)
- Have up to 12 Experts (USA/Abroad: 50/50)
- Formulate a 2-Year Action Plan 2022-2023
- Present their plan at the OC Annual Conference
- Produce also a webinar, podcast, paper & book chapter

OC will provide the necessary administrative and IT support for each committee.
