Consortium

The Oncofertility Consortium has a **NEW** Fertility Preservation Resource for Pharmacists!

Visit us online at <http://oncofertility.northwestern.edu/pharmacists> to learn more about pharmacists' critical role in fertility preservation care.

We created a **Decision Tool Web Portal** for Pharmacists! Our web portal is a library of fertility preservation resources, such as:

- *Communication strategies* for discussing fertility preservation options with patients of all ages and their family members
- *Decision Aids and Tools* for facilitating fertility preservation decision-making
- *Up-to-date information* on fertility preservation techniques and technology
- *Patient educational resources* (print & online; English & Spanish)

The **Pharmacist Resource Page** also provides access to:

- Non-Malignant Disease Summaries
- Virtual Grand Rounds
- CME Credit
- Billing and Insurance Information
- The National Physicians Cooperative- a nationwide network of fertility preservation providers
- A Guide to Implementing a Fertility Preservation Program
- The Oncofertility Consortium Blog
