

Ovarian Tissue Cryopreservation Media Ordering

Section 7. Freezing Media: Establishing an Account and Ordering Media from Sage/Origio

Estimated Time to Complete: 3 Business Days after account established

Background:

1. Freezing media for ovarian tissue cryopreservation (ART-8040 and ART-8050) is manufactured for the Oncofertility Consortium by Sage/Origio. Limited quantities available for non-OC sites.
2. Media is **ONLY** available for use under an approved IRB protocol or with letter of non-research determination from IRB
3. Only users on the list of approved users are eligible to purchase this freezing media

Establishing an account with Sage/Cooper Surgical:

1. Call Sage Customer Service @ **800 243 2974** and **speak to Gina or Erin.**
 - **If you already have an account with Sage,** update your billing and shipping information. Please be sure that the name on the account is substantially the same as that on your IRB approval letter, consents, etc.
 - **If you do not already have an account with Sage,** please establish one by providing Customer Service with billing and shipping information, etc. Please be sure that the name on the account is substantially the same as that on your IRB approval letter, consents, etc.
2. If you are a new account, Origio will contact the OC to receive approval for you to order media. You will be asked to provide a copy of your IRB approval letter or a letter of non-research determination.
3. Once IRB documents are received, you will be added to the approved user list. This process usually takes about 3 business days from the time your **ACCOUNT IS CREATED.**

Billing Comments:

Each site is responsible for purchasing freezing and holding media for each individual patient. Origio will invoice centers for payment within 30-days of shipment or they may request a credit card or purchase order (depending on your account status with the company).

2017-2018 Pricing:

- ART-8040: \$95.48/unit
- ART-8050: \$71.08/unit

Placing your Order:

1. To Order Media please call **Erin or Gina @ 800 243 2974 (Sage Customer Service)**. Each investigator will pay for their own media.
2. Email a copy of your IRB-approval or letter of non-research determination to brigid.smith@northwestern.edu

PLEASE NOTE: *This media is available only to approved users. Please do not share it with others, particularly those in other clinical settings.*

Product Information for Experimental Freezing and Holding Media:

<u>Part #</u>	<u>Description</u>
