Welcome

We are delighted to welcome you to the **17th Annual Conference of the Oncofertility Consortium, October 13-15, 2025**, that will be **hosted by Henry Ford Health & Michigan State University Health Sciences at The Westin Book Cadillac Detroit, MI, USA**, with the theme of **“Bridging Cancer Care and Parenthood: Innovations for Healthy Live Births in Oncofertility”**.

The Annual Conference of the Oncofertility Consortium provides an accessible platform for national and international oncofertility leaders and those new to the field to share their perspectives, discoveries, and vision for the field of fertility preservation from basic science to translational research to clinical application. The conference offers unique opportunities for attendees to network and convene in-person and participate in this cutting-edge field and develop new initiatives for the upcoming years. All interested physicians, researchers, scientists, scholars, students, nurses, allied health professionals, social workers and patient advocates are welcome!

A special thanks to all the supporters who made this conference possible.
